

The Association of Alberta Co-op Seed Cleaning Plants Ltd. will be holding their **64th Annual Meeting on January 11, 12 & 13, 2017** at the **Westin Hotel, Edmonton**. We invite you to attend and participate in our sponsorship program.

The delegates who attend this meeting represent 67 farmer-owned, co-operative seed cleaning plants located throughout Alberta and northeastern BC. In 2015, member plants cleaned & processed close to 40 million bushels of planting seed & grain for end use markets. Additionally, member plants also provide seed treating services, as well as grain conditioning for dockage removal, or general upgrading. Over the past 5 years, member plants have undergone major investment in new technology, including 4 new plants being put into operation. The Association invites you to become one of our conference partners, and to “**work together for success**” at our 64th Annual Meeting.
