

Seed Smart Scholarship - Application Guidelines

The Alberta Seed Processors have established the Seed Smart scholarship fund to recognize academic and leadership skills of students currently enrolled in agriculture-related studies. This fund consists of two scholarships, with a value of \$1,000 each, to be granted on a yearly-basis.

The scholarship will be awarded according to criteria of accomplishments which include, but are not limited to; academic and non-academic, volunteerism, and personal endeavours.

Applicants demonstrating leadership in rural communities and/or agriculture- related pursuits will be the preferred candidates.

To be eligible:

Applicant MUST:

- Be a Canadian citizen and a permanent resident of Alberta
- Be enrolled in full-time agriculture-related studies at an accredited post-secondary institution in Canada, with preference given to those studying in Alberta
- Have finished, at least, one full year of post-secondary education relating to agriculture, and be enrolled for another year
- In addition, applicant must include:
 - Official transcript of marks from the institution in which they are enrolled
 - Two letters of reference that describe the qualities the applicant displays which make them a suitable candidate for this award
