## Seed Fair Rules & Regulations

- Classes (1-26) all samples must have been grown in North America on the farm of the entrant in 2022.
- Classes (1-12), Pedigreed samples must be accompanied by the crop certificate number, lot number, grade, germination, and the lab where the test was done, recorded on the entry form. In the event of a tie, the sample with the highest germination may be selected.
- Classes (1-12), Pedigreed samples must be taken by a Registered Seed Establishment (Licensed Operator) or US equivalent to represent a lot of 3 tonnes (110 bushels) or more.
- Classes 16-23, Junior is open to all young growers aged 9-18 inclusive. The entrant must prepare samples for the Junior classes only.
- Classes 16-23, Junior only one entry per crop kind in each class, per grower may be entered. In cases where more than one sample has been entered. It will be the Seed Fair Committee's discretion which sample will be judged.
- Class 24 is open to all licenced seed cleaning plants. Only one entry per cleaning plant to represent a commercially machine cleaned lot of 3 tonnes (110 bushels) or more.
- The nutrient analysis provided for classes 13-14 must represent the sample submitted.
- Class 25 treated, the type of seed treatment must be specified on the entry form.
- No treated sample will be accepted in any class other than Class 25.
- Sample sizes are as indicated by classes in the Seed Fair pamphlet. Any samples under the specified size will be disqualified.
  - Forage & Grass Seed 1 kg (2.2 lbs)
  - Cereal & Oil Seed 2 kg (4.4 lbs)
  - Pulse Crops 2 kg (4.4 lbs)
  - Seed Treatment & Seed Cleaning Plant Classes: 2 kg (4.4 lbs)
  - Hay 2kg (4.4 lbs)
  - Junior Classes 1 kg (2.2 lbs)
- Samples deemed by judges as not fitting into any particular class will not be judged but may be marked "For Display Only" and add to Class 26.
- Samples altered by a foreign substance (e.g. grease, oil, wax etc.) will be disqualified, as well as all other samples submitted by the exhibitor.
- Decisions of the Judges will be final. Entrant and farm entity will be prohibited from entering the Seed Fair for 5 years if officials discover fraud, misrepresentation, or collusion. If judges decide samples in any class do not warrant top awards, lower prizes may be awarded.
- It is the condition of entry that all samples become property of the Ag Expo Seed Fair Committee. NO samples shall leave the premises once entered. Samples will be disposed of by the Seed Fair Committee.
- In the event of a tie for Aggregate awards, placing's (number of firsts, seconds, etc.) will be used as the criteria to determine a winner.
- In a case where the rules need interpretation, the Seed Fair Committee will interpret them.
- All participants are welcome to attend the Seed Fair Reception.
