

Alberta Seed Processors' Board of Directors Announce Election Results, and Establish Executive For 2025

The Alberta Seed Processors' (ASP) provincial board of directors announce the results of the regional elections for region 3 (eastern Alberta), region 4 (central Alberta) that were held in conjunction with the AGM in January 2025.

The incumbent from region 4 was re-elected for a 3-year term: Chad Kanngiesser of Lacombe was re-elected as director for region 4. Nominations for director of region 3 resulted in no nominations being received at the region 3 election. Pursuant to the Association's Bylaws, the board appointed, Tom Coppock, past director for region 3 to represent the region for a one-year term. At the 2026 AGM, Region 3 will hold another election- for a director for a 2-year term. All interested individuals that are members in good standing of plants in Region 3 are encouraged to contact the office, consult the website or reach out to an existing board member for information pertaining to the election process as well as roles & responsibilities of a provincial director.

Further, the Alberta Seed Processors' Manager's Association has appointed Tom Luethi (Warburg) and Greg Andrews (Three Hills) as representatives on the provincial board

In other organizational news, Todd McCann has been re-elected President and Mike Head has been re-elected Vice-President of ASP.

McCann, elected to the board in January 2018 to represent region 1, located in southern Alberta. He is serving his second year as president.

Mike Head has been elected as Vice-President of the Association. Mike is serving his second year as vice-president and is the regional director from region 7 (Peace region).
