

AGM & CONFERENCE

JANUARY 14-16 2026
EDMONTON, AB

We are pleased to announce the upcoming **Annual General Meeting and Conference** of the Alberta Seed Processors Co-op Association. This year's theme, "**Collaborative Innovation,**" reflects our commitment to advancing the seed processing industry through shared ideas, forward-thinking strategies, and strong cooperative values.

As we navigate an evolving agricultural landscape, this event will provide a platform to explore innovative solutions, celebrate co-operative achievements, and engage in meaningful dialogue with industry leaders, members, and stakeholders. From emerging technologies to best practices in seed processing, the conference will highlight how collaboration continues to be the key to sustainable growth and operational excellence.

We invite all members, partners, and industry participants to join us for this dynamic event. Together, we will shape the future of seed processing in Alberta and beyond.

Stay tuned for the full agenda and registration details.
