1:00 - 4:30 pm

Concurrent Professional Development Workshops

1. Cooperative Success

Sponsored by **ATB & Bronze Sponsors**

Robson Room

This workshop is designed for board members and staff of co-ops and will address why co-ops tend to succeed or fail. Kyle White (Director of Education, Co-operatives First) & Marc-André Pigeon (Director of the Canadian Centre for the Study of Co-operatives) will lead sessions designed to shed light into the workings of cooperatives. Elliot Bridgewater (Oemichen Bridgewater LLP- Partner) will address cooperative legal aspects on everything from how to manage shares to how to amalgamate co-ops. Learn everything you wanted to know about cooperative success & more!

Who should attend: Directors and anyone who is interested in board governance.

2. Growth Factors:

Sponsored by **Hanks Feed Mills & Garratt Industries**

Silver Birch Conference Centre

This workshop is a mix of information spanning everything from Emergency response, Agronomy, & Communication. Topics & learning opportunities that varies from learning how to operate an AED segment to tweaking the other side of your brain to science content like insect biology.

Who should attend: Anyone who is connected to agriculture or is interested in a wide array of topics.

David Spence: Decades of Weather Forecasting, *The Science & the Stories.*

In 2021, after 42 years in broadcasting, David Spence retired from what he can only describe as a dream job, Chief Meteorologist at CTV Calgary. Now David is a 'mostly retired meteorologist/broadcaster now forecasting for the Rural Roots Canada.com website, and with weekly weather outlooks heard on nine Vista Radio stations across Alberta and BC. Having survived prostate cancer, David now volunteers as a Patient and Family advisor with Cancer Care Alberta and Primary Care Alberta. He is also a patient partner in two cancer research projects at the University of

Calgary's Arnie Charbonneau Cancer Institute. David will share a myriad of interesting stories from his years of forecasting.
